Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 16 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly cloudy but dry. Fog patches in north and east.

This Evening and Tonight:
Remaining largely cloudy for most places but dry. However, clear spells across the north and east of the region will allow some patches of frost and fog to form overnight. Minimum temperature 2 deg C (36 deg F).

Friday:
Fog slowly clearing in the north and east of the region through the morning. Otherwise, it will be dry with light winds, but rather cloudy. Maximum temperature 8 deg C (46 deg F).

Outlook for Saturday to Monday:
Generally rather cloudy but dry this weekend. However, any overnight cloud breaks may allow patchy fog and frost to form. Sunny spells Monday, with isolated light coastal showers possible. Cooler.
